Now you can because you’ve never had this much power and beauty at your fingertips. This is the new LG Rebel™ 4. It has all the premium features without the premium price tag in a device that is smart, sleek and beautiful. Who would’ve thought that brains, brawn and beauty could come in such a stunning package? We did, that’s who.

Beauty Meets Brawn
Sleek, attractive design runs on a 1.4GHz Quad Core Qualcomm® Snapdragon® processor.

5.0" HD TFT (IPS) Display
View rich, vivid imagery and crystal-clear text with clarity.

8MP Rear Camera with Auto Focus
Capture moments exactly as they happen with instant focus and zero shutter lag.

5MP Front Camera with Auto Shot
Just pose and facial recognition does the rest, capturing an awesome selfie—with no hands!

Dare to be Exceptional
